

AT A GLANCE

Start date	Every 6 months, in March and September. The next course starts on March 28th 2018 .
Duration	One year
Entry criteria	Open to all
Enrolment	To register your interest please visit https://heartwood-uk.net/home/fc/step1 and fill in the online form.
Number of Units	12
Study hours	120
Assessment methods	12 monthly quizzes, the last of which reviews understanding of all 12 Units. Students are also expected to complete a variety of additional online tasks, including the creation of a herbal monograph and making contributions to a botanical glossary.
Completion criteria	Completion of all quizzes with 80% average across all quizzes (10 attempts allowed, highest scores logged), plus participation in 10 out of 12 live monthly webinars.
Price per Unit (course consists of 12 Units)	£30*
Discounted price (when whole course purchased in advance)	Assessed pathway: £300*
Award	Certificate of Completion and online badge.
Opportunities for further study	Learners who successfully complete all tasks, quizzes and assignments will be able to apply for a place on the Professional Course. Applicants for the Professional Course will normally have 4 GCSE passes at Grade A-C, or equivalent, but each application is considered on an individual basis.

** Note that these prices apply **only** to courses purchased through practitioners registered with the National Institute of Medical Herbalists or the Irish Institute of Medical Herbalists. A list of **Link Practitioner Affiliates** will be sent to you, together with an information pack, when you register your interest in enrolling by visiting <https://heartwood-uk.net/home/fc/step1> and filling in the form.*

A limited number of educational incentive discounts are also available for those not able to obtain a discount through the Link Practitioner Affiliate scheme.
